

Underwriting Bulletin 2020-010

Date: May 1, 2020

To: Our Valued Business Partners

Subject: UWB 2020.010: New Jersey Telehealth Services

All:

As we continue to monitor this quickly evolving situation, we appreciate your partnership, trust, and confidence. Atlas shares your concern regarding the spread of coronavirus (COVID-19) and the uncertainty created by its potential impact on you and your colleagues, your clients, and the passenger transportation industry as a whole.

The New Jersey Department of Banking and Insurance (DBI) has issued Bulletin 20-19 regarding the use of telehealth medicine and treatment for PIP injuries during the COVID-19 pandemic.

Please see this bulletin below for additional specifics and requirements.

Thank you for your continued support.
