### **About Atlas**

The primary business of Atlas is commercial automobile insurance in the United States, with a niche market orientation and focus on insurance for the "light" commercial automobile sector including taxi cabs, nonemergency para-transit, limousine/livery (including full-time transportation network company drivers) and business auto. Atlas' specialized infrastructure is designed to leverage analytics, expertise and technology to efficiently and profitably provide insurance solutions for independent contractors, owner operators and other smaller accounts.

The Company's strategy is focused on leveraging its managing general agency operation ("AGMI") and its insurtech digital platform ("optOn").
