Atlas Financial Holdings, Inc. (AFH), the Company's ultimate parent, announced on October 17, 2014 that it had entered into a definitive agreement to acquire Global Liberty Insurance Company of New York along with its affiliated underwriting and premium finance companies (collectively, Global Liberty) for approximately \$25 million. The purchase price will include \$4 million of AFH preferred shares with an annual dividend rate of 4.5%, payable in cash or in kind, which are convertible to AFH common stock after the fifth anniversary of issuance at an initial rate of 0.5 common shares per preferred share. The final amount of preferred shares will be adjusted based on actual loss development related to Global Liberty's pre-acquisition reserves. AFH and the seller have a mutual right to trigger the redemption of these shares for cash after the third anniversary of issuance at \$1 per share plus any accrued interest, subject to certain conditions. The remainder of the purchase price will be paid in cash. An earn out of up to an additional \$1 million may be paid based on underwriting profitability of the New York business during the three years subsequent to the transaction's effective date. Completion of the transaction is subject to customary closing conditions, including regulatory approval of the change of control of Global Liberty, and is expected to be completed during the first quarter of 2015.

Reserves remaining for prior years are now \$11.0 million as a result of re-estimation of unpaid claims and claim adjustment expenses principally on private passenger and commercial auto lines of business. Therefore, there has been favorable prior-year development of \$124,000 from December 31, 2013 to September 30, 2014.
